Make your event sparkle

Level up your event. Let us help you bring it to life.

Your venue deserves lighting that will **highlight and enhance** its features.
Your event needs a sound system that delivers **every word and note** clearly.
Video walls and screens let every guest **experience every moment**.
Our innovative team have decades of experience exceeding customer expectations
and creating **unique events** that deliver your vision **at a fair price**, all within your
budget.

Supported all the way

Our team is also able to support your event as a whole- by assisting with planning, 3D design for your exhibition space / outdoor projection / conference, submitting TEN notices, H&S paperwork and insurance policies, providing event stewards, power generation and more.

Bespoke quotes

No fixed packages, just the right kit for your event.
Itemised quotes provide an easy-to-understand layout of all pricing options.

Vast array of equipment available

PA/Sound systems, LED walls, Projection, LCD Screens, Cameras, Remote PTZ cameras, Drone cameras, Dancefloors, Lighting, Staging and more.

Fully insured and trained

Our training and equipment maintenance ensures that everything onsite runs smoothly. All equipment is PAT tested and insured, while staff have PPE and first aid training.

Keynote 1: Inspirational Leadership Lessons from Shakespeare's Henry V

Speaker: Ben Walden, Contender Charlie

Chair: Shaun Fenton, Headmaster, Felton Grammar School

#HMCCConf23

Session Sponsor: ANDERSON QUIGLEY

National teaching conference – Stratford Upon Avon – October 2023

The brief

Full technical support for a three-day teaching conference at a hotel in Stratford Upon Avon, including a dinner at Warwick Castle, for 400 people.

What we delivered

Main room: 6.5m x 3m LED screen wrapped in branded set, RCF line array, DPA headset microphones with wireless packs, stage lighting, and uplighters

10 breakout rooms: 75" large format TV with lectern, lectern mics, panel mics and PA

Full crew to facilitate a one-day setup, and the duty crew provided for the full event to operate technical equipment, provide technical support, and one-to-one liaison to accommodate changes

The client's verdict

"I am so sorry we didn't get to see you before we left – to thank you properly. We are SO grateful to you and the team for the AV services provided – it was absolutely top notch. The set looked incredible – Shannon and Maia in particular are brilliant. Ollie did a great job too I hear.

THANKS AGAIN Liam – seeing David Olusoga stood in front of that set yesterday it looked so professional – brilliant!"

Independence Day – American Ambassador to the UK’s residence – July 2023

The brief

To provide a large LED video wall backdrop to the main stage of a mini festival styled Independence Day celebration featuring Ellie Goulding while integrating seamlessly with staging, sound, lighting and event management providers

What we delivered

Hung 4.5 x 3m IP LED screen
vMix control rack to control visuals
NDI PTZ as camera relay to the backstage area

The client’s verdict

“Thanks for providing the screen for the outdoor event in July, the system integrated well with our other providers and fitted the stage perfectly”

Go Diving Show – March 2023

The brief

To provide full technical support in a blank marque and exhibition hall for the Go Diving Show 2023, including the main stage, sub-hires to exhibition stands and presenter support.

What we delivered

6m x 3m LED Screen, line array, microphones for the main stage plus three small 'technical' stages with small PAs, lecterns, mics and video screens, all supplied with full technical support and staffing

The client's verdict

"Book me in for the same next year"

Live performance

Rudimental – Corporate entertainment event – August 2023

The brief

To provide video playback to a live act, Rudimental, in a summer marquee for a corporate summer party. Video playback to integrate with lighting design

What we delivered

6m x 3m LED video wall using screen capture into Avolites AI to provide an integrated video and light show

The client's verdict

"Another great event, how the visuals integrated with the lighting was fantastic"

Green Park Managed venue services

Green Park Business Park and Conference Centre – ongoing contract

The brief

Among our managed venues for which we are the preferred AV provider is Green Park Conference Centre, a business park and conference centre in Reading near the Madjeski Stadium

What we deliver

We provide integrated AV support to all conference centre customers, providing PA systems, additional LCD displays, video conferencing facilities and more.

Invoicing is integrated via the venue, providing streamlined and transparent information to the end customer

The client's verdict

"Just wanted to drop a note to you and Shannon to say thank you for all that you did at our event on Wednesday, particularly how you helped...with [the] video, the chat bar and the 'mute all' issue!...The fix around 'mute all' option that you suggestion [sic] will be a bonus for future events."
